

## James Daniel Wade

October 17, 1988 - September 24, 2021

James Daniel Wade, age 33, of Rushville, died on Friday, Sept. 24, 2021. Dan was born Oct. 17, 1988, in Henry County.

Dan was the son of Christina (Dale) Williams-Borgerding and Stephen Wade. Both Christina and Stephen precede Dan in death.

If happy go lucky had a face, it would belong to Dan. He lived life entirely on his own terms and was perpetually positive. While he marched to the beat of his own drum, he was held in most regard by those who knew and understood him best.

That circle of understanding and love was held in presence best by his twin brother, Samual Wade; his older sister Starr (Josh) Miller; his older set of twin brothers, Cory and Cody Wade; his stepfather Dale, and his step sister, Kelly (Borgerding) Marcum and family. Dan was also loved by his nieces, nephews, cousins and extended family.

In lieu of a conventional funeral service, Dan's family will host a gathering to honor his life from 6-8 pm Saturday at his sister's home in Rush County. Private graveside services will be held at a later date at Raleigh Cemetery, where Dan will be laid to rest near his mother and extended Williams family.

“ Dan was my cousin but he was more like a little brother to me. Sometimes we'd fight like brothers but more importantly we loved each other like brothers. I'm fortunate I got to spend the years we had with each other. He was always thoughtful of other people and compassionate toward others. He was a very giving and selfless person. He will be missed. My condolences go to starr and Sam, Cody and Cory. I'm very sorry for your loss and I grieve with you.

“ To the family of Dan Wade!! Prayers so sorry. He will be missed in the town of Rushville. Walking miles and miles. I was friends with him and also his belated mother. I went to school with her . He was like his mother with that smile. He was very kind and polite . He wanted someone to take him to Walmart during the winter. He wanted a new pair of shoes ,it was hard for him. We had already been to a couple shoe stores. He was standing in the shoe isle and had shoes lined up didn't know which ones he says , all kind of sizes. I said well if there your size and it fits and you like them then ok. Well he really was having hard time. He took one up to the counter told the lady hang on I have to go get the other pair too so he bought two scratching his head still undecided. Went to the car you like them he said. I'm like sure ,it going to snow and yes you need them ,and yes they are nice. Same thing happened this summer and he bought two pair. He was so thankful !! You will truly be missed Dan!!!

“ As, a Father I considered Dan as one of my own children. He, was close to my kids and grandchildren. As, travel with me to Arkansas and Kentucky. Have, been fishing many times etc. Lived, with us for a while. Shortly, after his mother passed we just looked after him. He, was the only one that detailed .y cars. So, let me say this in closing to the Wade family thank you for sharing Dan with my family. Jimmy Huffman and family. Rest in peace Dan.
