“ I will miss talking to Karen. She was a great person. Her, Tom, and the kids lived down the street from us for years. Our kids grew up together. She will be missed by everyone that knew her.

My deepest sympathy to Nikki and the entire family. God grant you acceptance and peace.

“ Karen was a wonderful friend. She was always helping people. She loved to cook meals for people. She enjoyed decorating, shopping, and cooking the meal. She was also right in the clean up of things. She loved her family. She was one of a kind. She will always remain in my heart and she will definitely be missed.

I love you Karen
