“ My association with Rick is of long ago at the Sigma Chi house at IU. As a brother and a leader Rick was true to all that is good, As a friend and a roll model he there was none better. All Honor to his name. Steve Yeager, Lambda chapter 1968

“ My thoughts and prayers go out to the family of Rick Levi. When I came to town as a new attorney back in 1975, Rick took me under his wing. Later, when I became involved in the trials and tribulations that would eventually become my undoing, Rick was my solid core of support. He represented me well as my attorney, and at no financial cost to me. I could never begin to repay the countless kindnesses and superior legal ability that Rick provided to me in my darkest hour of practicing law. But that is just how Rick was. I have never known a more compassionate human being. And from reading the other tributes here, it sounds like this compassionate, caring personality carried through every area of his life. Rest in Peace, my dear friend. I am quite certain when God welcomed Rick home, God said "Well done, O good and faithful servant."

Sincerely,
David Roberts

“ Rick was always a joy to see at church. I always loved seeing the family and getting hugs. I remember when the youth group would come to your house in the country and play in the snow and hang out. Such wonderful memories. So sorry for your loss. He will be truly missed. You all have a special guardian angel watching over you now.

“ I was so saddened when my sister-in-law, Kathryn Waits, called to let me know of Rick's passing. She mentioned that my brother & Rick always teased one another in school as they both ran cross country and that they were always next to last & last (Rick usually behind Dick). Dick passed away several years ago and Rick is behind him once again! It seems such a short time ago that I got to see the big smile on Rick's face as he looked into Heidi's eyes for the first time. An instant "dad" look of love. It was quite a challenge to overcome Mrs. Wilkinson way back then, but we won! I remember how he took pictures when Heidi and I were playing scenes together in Rush County Players' version of "The Sound of Music". He was always so kind to me and my entire family. I think Rick & Bruce look a lot alike (especially from the ears up!) Bruce & I were in the same class while Rick was a year different than my brother, Dick we think. Chris, I think often of our past history & the special connection we have had. You & the entire family have my love & prayers. Rick was a very special man & I'm sorry we lost him too soon. God will be glad to have at least one attorney in heaven! (old joke, I know) Barbara Waits

“ Rick Levi was a model of friendship, professionalism, and dedication to his family, his church, and the community. His leadership of the Rush County Community Foundation was a testimonial to his beliefs in the future of Rush County. He was a tireless crusader for the moral and equal benefits for the common man. His tireless commitment to others as he practiced law, and modeled decency and love of his fellow man was a legacy few can replicate. I'm proud to have known him and was guided by his advice multiple times. His love of God was exemplified daily in his life. His sense of decency and his smile and humor brought a smile even in sad times. He will be missed but forever remembered by those who appreciated his candor, intelligence, and devotion to others.
