“ Tim, Connie and family, I am so sorry for this overwhelming time of grief and sadness. Abby was such a bright light in my life. I've known her all her life that's a long time. So many memories fly through my mind as I remember coming out to see you all. The passing of time doesn't dim that at all. Those were good times. I pray God brings you peace of mind. Know that I love her... and I will miss her❤️
