“ *I always enjoyed our chats when I delivered library books to Alice. She loved the Rushville public library. Rest in peace. You will be missed.*

“ *Alice was a wonderful caring wife and mother! She was very active in all her children's interests. She did worry when someone wasn't acting properly and would call their friends and and ask what they thought might be the matter. She had a good life and was such a genuine person! Alice babysat for my daughter Laura when Laura was very young and we never had to worry when Alice was in charge! She was fortunate to have had Gerald and all her boys! Alice even found time to knit me an orange and green scarf many years ago and I still have it. She will be missed by all who knew her! Deepest Sympathies To All.*

“ Alice was a wonderful neighbor. My mom adored her, as did I and my kids. One of the most giving people I have ever met. My heart goes out to her family. Godspeed, Alice. Godspeed.

“ We grew close over the years. I'm gonna miss her a lot, especially on Saturdays when we would go grocery shopping together. She would almost always make me stay and have lunch with her, then send home a bag of cookies or half of a cake. I guess dieting will be easier.

I'm so so sorry to see this. In my very young days I spent much time hanging out with Dan and was around quite a bit for a spell. I remember her as a very wonderful and loving and supportive mother with the kindest heart. My deepest sympathies to your family.
