“ *Donna, and all the family of Aline. So sorry I was ill and unable to
attend the visitation or funeral. I did want you to know how much I
enjoyed visiting your Mom at home and after she lived at Millers.
She loved the Pacers, and we had so many talks about them. She
was always so interested in everything that was going on around
her. Both of my children had her for a teacher, and they always
remembered that she had a different Bible verse written on the
board each day. How wonderful that was. My sympathies go out to
your family. May she rest in the peace of Heaven that she so
wanted.*

“ I have told many people about my times in Mrs. Winkler's typing class. Her patience for me, and everyone, on the manual typewriter and eventually the electric was amazing. She allowed me to "re-do" so much work at home as typing was not one of my better subjects. My condolences to Donna and the entire family. I will keep you in my thoughts and prayers.
