*I'm so sorry for the family's and friends loss of Bo, he was one of the first people I met when I came to Rushville in 1982, and we had remained friends ever since, Throughout the years as I done Auctions & Buying and selling dealing different things he was so helpful, if I ran across something or a deal I was not sure about I could always go to Bo and count on him, He would always give me his help and advise, I will miss seeing him and him stopping by my home, God Bless Bo and for all of the help and ,memories, May you Rest in Piece.
