“ In our growing up years Anita and I were together alot ... Our families were and still are very close ... One funny little memory that I have of Anita was one time during a similiar snowy cold winter we were together at my house ... We were heading over to Anitas house which was not more than a half a small town block away ... To prove how brave and tough (or young and stupid) we were we ran barefoot through the the snow and ice to her house carrying our shoes ... When we got to her house we were cold and very proud of what we had done ... We just laughed and laughed ... Anita Stout I hope that you are resting well in heaven ... Give my Mom a hug and a kiss and tell her how much we miss her ... Enjoy your time with your Dad ... Please know that we all love you and will miss you until we meet again ...
