“ So sorry to hear of Ann's passing but what a blessing she received of a full long life! You all were our neighbors for years, friends, school chums...we grew up alot together. Ann made sure I got to Rushville each day to catch my ride to Beauty school and she took me home after on her way home from work. I can still hear her telling stories and laughing alot. She was good people for sure. God bless the family as they learn to live a different way with her memories for comfort.
