“ *Ann was always much loved and appreciated, she acted much like a caring mother to a lot of us young kids growing up in Buena Vista. I knocked over a gas pump with my car one time ,she took charge of the situation and just told me to not worry about it. She had a wonderful husband, and children.Word's cannot express how much she meant to a lot of us growing up in Buena Vista. She indeed left a strong impression me and others. Rev. Charles W.
