“ Words cannot describe how much I cared for Pedie. In her earlier years, she spent summers with my parents, Cecil and Galene Angle. They loved her like she was their own daughter. Everytime I would see her, she always had that beautiful smile and a big hug to share. I always enjoyed visiting with her. She loved to talk! LOL. I know she is in heaven and giving all our loved ones that great big hug and smile and talking away. She will be missed greatly. You all will be in my thoughts and prayers.
