“ Ann was my oldest sister & one I looked up to. Ann always had a beautiful smile and kind words, We enjoyed our sister trips we started years ago with our mom. Was always a blessing to spend time with Ann, & laughter.

Last time we were together with other sisters at Cracker Barrel, I was sitting next to her & I said Ann you look good, & you look younger than me.....she looked at me & said yes I do, don't I . LOL Bless her heart.. Till we meet again sister dear, Love you & R.I.P.

“ There was always food available whenever you dropped by and when it snowed, the back door entrance was an outside cooler for everyone. I'll always remember it was in January, Cindy & I were sitting at the kitchen table and we watched several of the grandkids in the back yard dragging around the large Christmas tree and just having a great time. You always felt welcome in Webb house. Ms. Anna was a great lady.
