“ I first met Andy waiting tables at Bob Evans in New Castle. 2 diet Cokes no ice. Ham barely cooked corn and cottage cheese. Or fried chicken. Just depended on the day. No one else wanted to wait on him because he was picky and drank a ton of diet coke. But I liked to because he was fun and I could give him a hard time. Little did I know I would become one of his "outlaws." I later married his son and had 4 kids. I would joke with him I met you first. I should have know better and what I was getting into with your son Love you Dad Armstrong.
