“ I'll never forget when Austin and I went to sing karaoke at Westside and a woman no names tried to show him her fuzzy nipple. As soon as I finished singing Austin grabbed me by man and ran me straight out the door. We jumped in his new vehicle. Him driving him tripping so hard and us laughing harder. He backed straight into the dumpster. No damages done we continued on our way. We laughed for a good while. Him repeating gross I don't want to see anyone's fuzzy nipples Just an hilarious memory. I cherish. You'll be forever missed my friend Austin Greer
