Thank you, Mark, for sharing Barb's service and your song to her. I have high school memories with Barb and Diana at sleepovers and good times together; and then later our years at St Mary School with our kids. God bless you all.

Thank you, Mark, for sharing this very special time with all of us who loved Barb so much. I first met Barb as a young child as we became neighbors when I was 5 yrs old in 1964. I loved the whole family and had many years of friendship and will miss her dearly. Remember those good times together and be assured we will see her again as we finish the race that she has finished. May God bless you and the boys as well as the extended family and hope to see you around town as usual:) Friends, Rhonda Rhodes Rodriguez

please try to understand. That an angel came and called my name, and took me by the hand. The angel said my place was ready. In Heaven far above, And that I'd have to leave behind all those I dearly love. But when I walked through Heaven's Gates, I felt so much at home, for God looked down, smiled at me, And told me "Welcome Home." So when tomorrow starts without me.

*As I posted earlier today to some of friends.
Barb and I became friends when our husbands were at the Rush
County*

*Sheriff's Department.
Our friendship deepened over the years, very quietly and silence.
In my journey with cancer since October 2020, she and I exchanged
prayers, thoughts and love in checking on each other.
Sometimes that's what love and friendship is all about.
I will miss her but I know she will be there for me in spirit.
She was a wonderful soul.*
