“ *Barb was one of my best childhood friends as well as my cousin. And when I was born my mother thought she was so cute that she named me after her,, We had so much fun running around Aville.. Everyone there was either a Matney or was related somehow.. One big happy family.. I will never forget the times we went to El Reparo for lunch with all the girls .. we laughed and had so much fun there.. We will miss you Barbara Lee.... Barbara Kay..*
