“ *Shirley & family, I am deeply sorry for the loss of your Aunt Barb. Comforting words don't ease the pain of loss , but please know I will keep you and your family in my thoughts and prayers through these difficult times. I am sorry I couldn't be there in person to express my condolences. I didn't know Barb extremely well, but through the years and life events where we were both present, she was always kind and welcoming to me. Love Shana (Bennett).*
