“ *Barbie was always smiling whether it was at home, at school and even at work. Keep your spirits up as it doesn't get any easier when you lose your soul mate! Remember her smile each day to help brighten your day. Love and prayers to the entire family!*

“ *Barbie was so full of joy and deep love for all her family, near or far. Even though we live in Michigan, and didn't get to see her very often, Barbie always remembered our children's birthdays. She would send suckers with a card, or candy canes at Christmas. To know Barbie was to love her. She will be dearly missed.*

Barbie was never seen without a smile on her face and that happy go lucky walk she had. She is free of the demons of cancer. God has a purpose for every person HE puts on this earth, I believe HIS purpose for her was to show everyone what true happiness is.
