“ *I loved your mother dearly and was blessed to have her in my life. I remember your dad fondly calling her "Bobby". When they lived in Brown County, they were a big part of my family life and church life. Thankfully we all stayed in touch even as you all moved. So many memories. Come visit and we'll share them. God bless you all, as your family blessed mine and my parents.*

“ Barbara will be greatly missed. I loved seeing her smile as she would walk into Grace United Methodist Church or to a United Methodist Women event at Grace. She loved being around people and enjoyed time with her friends. I am deeply saddened to hear of her passing. Sending prayers to her family.
