“ Barbara Sue or Barbie was one of my favorite cousins and I loved her and will miss her. When my dad was living Joe Weston I saw her and visited with her almost daily . I also had the pleasure of spending time with her at our Aunt Janice’s house. Sadly with work and other time robbing daily events I was unable to visit with her and spend time with her and before you know it times up. My favorite memory of her is sitting at the kitchen table drinking coffee and catching up on the latest gossip . I loved you Barbie and I will miss you terribly!
