“ *Barb was such a gift to us and to our community. Her involvement with Tree County Players was always exemplary both on and off stage. She had a huge heart and an infectious laugh that and always did the best with what she was given in life. We are so deeply saddened by her passing and extend our sympathies to her sister-in-law and nephews. We loved her and all of the special times we were able to spend together as friends. We're so grateful and thankful to God for putting her in our lives. There will never be another Barb..*
