I knew Barry since kindergarten. Just a couple of days before Barry passed away, we were commenting on a post by Carol Nelson that was of our kindergarten graduation picture. It was so nice to reminiscence. I remember in grade school when we played dodgeball outside that Barry would take on the entire class and would win every time.

My prayers go out to his family. My hope is that the memories you have help ease the pain during this time and also make you smile as you remember those wonderful times.

“ I’ve been privileged to know Barry most of my life, but I’m not from the Arlington area. My grandparents Leland and Alta Gardner were from Arlington and Freddie and Garth Lee are my first cousins. I have known Barry through them since we were teenagers and I looked forward to seeing him every time I got to visit the area. He was a good friend and will be deeply missed, but I will always have fond memories of him. He had a wonderful smile and always seemed to be laughing! My prayers are with his family.

“ My deepest heartfelt condolences to Barry’s family. Barry and his brothers as well as his dad were very good civic and community minded guys. I remember Barry a bit from my childhood though he was in a younger sister’s class. Barry was a good kid from my recollection and always willing to help like his brothers and his dad. His dad was my bus driver and was a man with a big heart and a huge smile. I believe Dale and Max had their turns as school bus drivers like their dad, Barry included. It takes people with great big hearts and lots of patience as well as hard work, diligence, and sacrifice to be bus drivers. No doubt grown kids speckled all across the nation and who grew up in Posey Township/Rush County have fond memories of Barry, his brothers, and their dad. God bless Barry’s family and may they know their dad was much respected and much loved by many. Barry’s presence will be missed, but his footprint has been made and will continue on through the years. Barry’s body now rests in peace, but his soul rejoices with sheer jubilation in heaven in the presence of Jesus. Glory be to God!
