“ *Oh, Bill. I was looking for Beth and found this. I'll never forget the days of BSU and Collegienne. She fixed me up on a blind date! And I married the guy-didn't last. Beth and the girls went to Carp lake too.*

*I'm so sorry I didn't know of this sooner.*

*Remember the farm house when Beth got married-your sister and I send you to buy rubbers! We packed for her!*

*A very special gal!*

*Blessing for being there for her.*

“ *Bill and family,*

*I'm so sorry to hear about your loss. I remember the day your loving Mother came into JoAnne Fabric store, where I worked.*

*She told me what a loving son you were, and that you would be a good person to rent my house on Virginia Avenue. I called you soon after that visit with her. Yes, I enjoyed renting to you and the children. I didn't know she had passed until I read this. I've moved to Warsaw where my sons live. I'm sorry I can't come to see all of you. My thoughts and prayers are with you.*

*Sincerely,
