“ Beth.....where do I start. When I was growing up, she was like a second mother to me. My brother, Jason, and her son Adam were inseparable. They were always together cracking jokes (my all time favorite, *Beavis & Butthead*), tormenting one of us, or just flat out getting into trouble. Beth always took it in stride and never got shook up. Beth was an incredible person. I always admired her because even with her health issues she **NEVER** let anything get in the way of something that she wanted to do. She lived life to the fullest and never looked back. She always had a smile on her face and was as ornery as all get out. She was definitely a fire cracker and I loved it! Even though we lost touch over the years, she will always hold a special place in my heart. I am and will continue to pray for the family.

Adam, Nan, Pop - If you need anything, please don't hesitate to reach out. I know that my father and my husband were both waiting at the gates of heaven to welcome her home! I love you guys!

“ Beth was a long time great friend to my sister Tammy and very kind to me. She let me use her car while in town for me to help Tammy get to and from doctor appointments this last year. I'm so heartbroken that she has gone but rejoicing that she is in heaven and no longer in pain. Dance with Jesus my friend. Forever grateful for knowing you Beth.
