“ *I am so sorry to hear about her passing. My prayers are with all of you. I have so often thought about Betty. I worked for her at the bank 30 years ago and, to this day, I credit her with teaching me so much, not only about work, but about life in general. I was fresh out of high school when I got my job and she had such a big influence on me. I wish now that I would have reached out to her at some point to let her know how much she meant and still means to me. She was a wonderful woman!*

*Bob and Betty were my mom's cousins and our neighbors in Arlington for years. A finer couple you could never know. Betty was so smart and my father adored her friendship. Bob is just the nicest man in the world. He'll be lost without Betty now. But, she enjoyed a wonderful life and reared two great sons! She will be missed so much. Much love and sympathy to Bob and the boys and their families. —Karen Wainscott Powell*
