“ So sorry to learn of Bill’s passing, and offer my heartfelt prayers and sympathy to Jerri, the children, grandchildren and family.

Bill was always an incredible friend and caring person. We became friends while sixth graders at Mooreland School and remained very good and close bosom buddies throughout high school. So many memories and stories come to mind with Bill and Larry, and regret that we lost contact for a time after graduation from Blue River. I was thrilled to regain our contact via phone calls and text messages, even enjoying an afternoon visit from him one summer in Mooreland while vacationing in Indiana from Virginia. Shortly before my retirement Bill and Jerri drove over from Manila to join Diana and I and participate in our marriage ceremony, it was such a joy and honor to have them witness the ceremony at the Wilbur Wright birthplace.

Bill will be missed; he was a dear friend and Loved as a brother.
