“ My sympathy and good thoughts to Kevin M. Cornner, his children and grandchildren, and Charyl. I met Bob circa 1968 at the Connersville YMCA, a facility that — along with his other lifelong, dedicated work to help run myriad youth and adult sports programs — should place him in legendary, 'C'ville Hall of Fame' status. Thank you, Bob, for being a true friend for 54 years and everything you did for our community. I know this ... the Cincinnati Bengals lost their most loyal fan, and our world lost a great man. Rest in Peace, 'Bubby' Cornner. — kimball hendrix

“ *Charyl, Lindsay and Trevor - I want to send my condolences to you all. As you know, Bobby was a wonderful man and a true friend of mine. Bobby gave so much to this community all through volunteer time and never asked for anything in return. I have always loved that man just like a grandfather of my own. He would call me every now and then just to check in on how I was even when he wasn't well himself. That's the kind of heart he had for others. He will be so very missed and loved from here on Earth.*

“ Bob Cornner was a literal cornerstone to the youth of Fayette County . He donated countless hours to organizing activities for all age groups of children in Connersville . He was especially supportive of girls / women's athletics .

Bob was one of my first softball coaches . He selected me to play on a traveling team (Connersville Merchants) of which I found life long friendships . He also gave me my first job at the Womens Softball field . He also was our landlord when my mom and sister needed a house to rent . And though mine is but one example , his generosity and willingness to help others touched hundreds of lives through his voluntary time and efforts in the community .

My Heart goes out to Cheryl and all of Bobs family at this time ...
peace and comfort for you all.
