“ Bobby helped out at my Dad’s salvage yard when Dad first bought the place back in the 60’s. I will never forget the old Dodge truck we built. Bobby took a grill from a 1958 Ford and made it look great in that old Dodge. We proceeded to drop a 409 Cu. In. Chevy Engine with power glide into it next, then painted it baby blue. Bobby grabbed a steering wheel out of an old Desoto to speed up the steering. Some of the most junk yard fun I have ever had in my life. I loved my uncle Bobby and I have several such awesome memories that make me smile real big when I think of him. That old truck was an early memory and man did that thing fly. Rest In Peace Uncle Bobby.
