“ *Brenda was my baby sister and she will be missed very much. I got the pleasure to see her when she came home from the hospital. We talked and smiled over past events in our family. We enjoyed the time i was with her and i will always have that in my heart. Brian is a wonderful son and took such good care of her and she always looked at him so adoringly. She is now with our mom, dad, brother and sisters. Have a beautiful reunion and i will see you there. I love you, Lois.*
