“ I have so many fun memories of Brian and his family. We spent a lot of time laughing together as kids when I'd come spend the summers detasseling corn with Bob, Barb and Brian Williams. His cheery smile and witty sense of humor would keep us laughing all day. I even got to spend a few nights at the race track as part of the pit crew with Brian (Williams) and Brian (Gray), two of the funniest guys I know. Man what a riot!!! I will miss Brian he was a good friend. Condolences to the family and friends of this good man. - Karen Borrasca (Mathena)

Lost a good friend, business associate, husband, father with Brian's passing. Brian and I go back a long ways. He will be missed by many after having fought a valiant fight over the last several months.

When the Gray and Sparks families first became connected, Brian and I were just into Jr. High. I vividly remember him pulling Mail Pouch tobacco out of his pocket in order to catch the pony they had on the farm. I was horse crazy at that age and thought that was the neatest trick.

My deepest sympathies to Brian's family, as well as Janet, Marilyn and his nieces, nephews and great nieces and nephews.
