“ *Carol was one of my very first friends. We likely met in our church nursery before attending kindergarten together at St. Paul's. Through years of childhood birthday and slumber parties, sleepovers, our high school girl gang, summer get togethers when home from college and holiday reunions at church, Carol was an ever-present part of good times. She always had a story, but was a great listener as well. We could pick up conversation after months or years like we spoke every week. Her grin and laugh reside sweetly in my mind. When I last saw Carol, she was remarkably thriving after and really rough period. Her optimism made her seem invincible. My condolences go out to Carol's entire family, who was always forefront in her heart. How lucky we all are to have known and loved Carol!*

“ I have fond memories of time shared with Carol as I was the pastor of her church. We sang together, we laughed together, we shared the woes of caring for our mothers, we had a few adventures together (one trying to find a hospital in Cleveland OH that my GPS could not locate. She laughed when I walked into a bar to get directions. I will always remember her for her love of life, her sense of humor and ability to always be right. Craig, Chelsea, and Kera my heart goes out to you and is hurting at hearing of her passing. May Gods arms hold you in Gods love this day and all the days yet to come.
