“ I'll never forget Carol & Bob. My only silver lining is they are together in heaven and I'll see them again one day.

“ Carol was the best person on this planet. She never hurt a fly. She was a GodSend to me. I couldn't have been more blessed to know her and be a part of her family. I lived with Carol when I was younger and at times wished she had gone through with adopting me. She was the best 2nd mother a daughter could have. My heart and prayers are with the rest of her family. I'd give almost anything to be there for her service but I'm sure she would understand why I can't be there. I will be there in spirit. My heart and mind are numb with grief as I've lost both of my mothers within a year of each other now. Please keep me and Carol's family in your thoughts and prayers.
