“ I remember when we were little we use to hide under the bed so my aunt Inaz could not find us when it was bed time. She would come through the bedroom and when she was gone we would jump in the bed and act like we were a sleep. Carol lived with me and my aunt Inas because her mom worked and needed a place for her daughter to be cared for and be safe so she could work. That was the way things were done back then. I loved Carol so much. She was like my sister. She was my first friend in this world. I will miss you.

“ I love you Mom...My heart is so broken, you are gone way to soon...Thank you for being the best Mom and Mamaw that anyone could ever ask for. You were my best friend...I know you are with the Lord now...I know you will be looking down on all of us and protecting us until we see you again. Eternal Love for you Mom!!
