“ *I am one of her sons. I could not be there at the time since I did not have the ability to buy a plane ticket and rent a car as well. That is not the reason I have not commented. I just could not (and now)put into words how I will miss her. I have and will continue to tell her 5 Grandchildren about her live(I started at Arlington and have moved on to her first job at the State Department). She did not meet Benjamin Riker,her last Grandson. But He has all of his Aunt Susan's picture downloads on his computer. Miss you Mom and see you later.*
