We are very grateful for the countless hours of pro bono work that Carrie contributed, to ensure that those with limited means could access justice and legal services at no cost. “ *Carrie - words just can't describe the amazing person you were and the huge hole left in our world with your passing. You were always kind, compassionate, and SO smart. You and I lived a lot of life together in the past 20 years - and I'm so thankful to have walked some of my brightest and darkest moments with you. You are already missed here and Heaven is a little brighter with you there.*

“ Carrie was such a wonderful person! I remember in high school when we got to talking one time about both being adopted. And... we shared a birthday. So... she always called us sisters due to the coincidences that we shared. She will be sorely missed for all of her work in Rush County! Rest in Heaven well and be the guardian angel from above that you always were here on earth.

“ *Prior to Carrie's passing, she and I spoke every day about life in general, but never did we discuss not being on Earth. She seemed so full of life. I regret not taking a closer look for any signs she was leaving us. Carrie had a great sense of humor, albeit dry at times, she knew how to take a person out of the doldrums of depression. Vickie and I will forever remember Carry as our personal friend, mentor, and class family. We solute you Carry; thoughts and prayers to your family. What a loss that can not be replaced.*
