“ Chuck Jarman Jr was my brother and friend. His passing has left a hole in my heart. I am uplifted knowing the fact that he is with Dad now and I'm sure they are telling some stories and fishing. Until the day we meet again, I will always cherish the times we had together.

“ Chuck, We didn't keep in touch much after the good ole Glenwood days. But during those years he was someone I will never forget. He was a true friend to me then. Never once got tired of my teenage rantings. Someone whom remains dear to your heart whether you talk everyday or just check in on thru Facebook. I can't believe your gone. Makes my heart ache for a piece of my youth is gone with you. RIP my friend.
