“ *The Elliott family was very close to my sister and I growing up. We all attended church together. We had many sleepovers at their home, but the best times were youth group and retreats! Erma was so tolerant of all the young people who came in and out of their home, and we were there a LOT! Because Rhonda and my sister were in the same class, they were very close. And I was between Kevin and the twins, therefore, we just all had so much in common. Cindy had such a tender heart and was so caring, compassionate and never had a harsh word. I know the void that her passing creates, but we can rejoice that this is not goodbye, just "until then". Well done, thou good and faithful servant, enter in to the joys of heaven!*

So sorry I could not be there to hug on all of you and shed a tear with you, but I am holding you up before the Lord for his comfort and peace. I love you all, Deidre Owens Powers
