“ *We got two of our amazing pups from Connie - our Borgi, Keira (turning 5 this month) and our 1-yo Corgi boy, Harley. Connie was not only a kind and caring soul who always spent time talking with us when we came to see the Corgis and pick up our "kids," but she bred the best pups ever! She will be dearly missed. R.I.P. Connie. I know there are Corgis in heaven with you! Our deepest sympathies to the family and all those who knew and loved her.*

“ My prayers and condolences to family and friends of Connie. I only knew her for a short while, but she was a very friendly and considerate person that was easy to get to know. I feel certain that when God called her home, He said to her " WELL DONE,, OH GOOD AND FAITHFUL SERVANT"

“ Connie was one of my RHPC sisters and we rode parades together with many others. One very memorable parade was, 2013. McDonalds Thanksgivings Day parade in Chicago. It was a very cold and windy day, but Connie, Jackie W Rhoades and I, on our trusty unshakeable steeds, rode boot to boot down State Street and they did us proud. Connie was a fun lady, I will miss her. My condolences to her family and many friends. Dianna Shuler

“ *I'm so devastated by the news of losing Connie. I got to ride many parades with her as a fellow Red Hat Lady. Even several in Chicago on Thanksgiving Day when she could have been doing other "family" events but choose to ride with the gang! She definitely is an inspiration to me and many of us in the group. She was also along on the trip we took to Iceland. What fun we got to have and I am so lucky that she was one of my trip partners! That trip has so many wonderful memories and I'm lucky that she got to be there too! I'm going to miss her terribly. I know she will leave a huge hole in many hearts. My heart goes out to her entire family.*
