“ I just heard that Connie passed away. It of course saddens my heart because Connie and where not only cousins, but we were also friends. She helped me grow up during a confusing time and I love her for it. The memories I have of Connie are really good and happy ones. After all that’s all we have in the end.

We were blessed to have served Connie and Mike with their insurance needs for many years and they are more than clients, they are true friends. Both have been hard workers and were now enjoying their senior years together. Connie fought a good fight, she has run her race and finished her course. Now she is at peace with her Lord. Mike, may God wrap His arms around you and allow you to feel His amazing love in this hour of bereavement. Our prayers are with you!
