“ *I always called her "My Spunky Grandma!" She never knew a stranger and always greeted with a smile and cheery welcome. When asked, she always said the secret to her longevity was "to keep moving". I really think the secret to her long healthy life is that she knew how to laugh at herself and not take life to seriously. She inspires me to this day. I will always miss her until we meet again in heaven. I love you, Grandma! Linda J Saxon Harvey*

“ *I remember Cora Mae as being one of sweetest neighbors I had as I was growing up. I often rode my bike past her home and If she was outside she would wave to me & say "Hi sweetie". She was a "sweetie" to me. Patty (York) Gillam*
