“ *I'm so sorry to hear about JR. I loved him, he was so sweet. There are so many memories of camping, bologna on the tent, playing with the boys every summer, fighting with the boys, playing in the yard, playing in the woods and in the barn. Rotten eggs being thrown on my head. Spending the night with JR and Dean. Laying on their sofa after getting stitches in my foot. One time I got spanked because of something that Timmy did. And JR talked with me and understood that I had not done anything wrong. That meant so much to me, I'll never forget it. I am so thankful that he and the whole family were such a large part of my childhood. I really missed them when they moved to town. My thoughts are with you all. With much love, Vicki Dickerson*
