“ I had the privilege of working with Dan at two different companies, where he taught me a lot about his craft in machine building/Centrifugals. Always friendly and patient, even as I annoyed him with questions. One of the most knowledgeable fisherman I've ever met, gave me a lot of pointers with stories. I'm still shocked by the news, he will be missed and remembered. We graduated from the same high school several years apart, and didn't live far from each other, but didn't know him in those days. My warmest sympathies, John Byerly

I am so sorry to learn of the passing of Dan. He was always, even when we were kids, one of the kindest people I've ever known. Just a gentle soul. I'm so happy to have seen him a few times at our cousins reunions. Sending much love and hugs to Dan's family.
