*I just learned yesterday that my little butterfly had transition to be with the Lord. Even though she was non verbal she still had a way of communicating we me lol my little Dani I will forever cherish your unique sounds of laughter at the beginning of my shift or how you would rush to your room to get your shoes whenever you'd see me grab my keys because you would want to ride so wind could blow on your face..... My little Dani all I can do now is hold on tight memories and pictures of you... I must say God has gained a special and unique Angel.. R.I.P Dani*

“ One day Jackie brought Dani to my house to visit, When it was time to leave, Dani didn't want to go. Jackie was hot & sweaty trying to chase Dani because she kept running from Jackie. Dani wanted to stay here & have fun. I love you Dani. I'll see you in Heaven, Precious Angel! Jackie, you know I'm here---- Always!
