“ *I met Mr. Patton (grandpa) a little over a year ago, while helping to care for him at Hickory Creek.
I am so honored to have met this man. Mr. Patton was loved by all the staff and soon became everyone's grandpa.
We had a very special bond and everyday when he would see me he would point his finger at me to come talk to him.
Mr. Patton you will forever be in my heart, and I am a better person just from knowing you.
May you rest in peace.*
