“ To your mom and all you girls, my heart breaks for you. There are so many memories they can't be numbered. One I'll never forget is him driving the dune buggy with all of us riding along while camping in the desert! I love you all and you have my prayers for comfort.

“ Dave and I were in the same graduating class. We didn't know each other very well. We started working together at Detroit Steel and started running around together and became good friends. Had a lot of memorable moments. We also had some we'd probably like to forget. We discovered I was a lot older than him. I was 1 day older lol. I used to go to his place in Rushville on the 3rd or 4th to say happy birthday to us. I missed the last 2 years. Dave was a good guy that I am surely going to miss him. My prayers go out to all you family members
