“ *Dear Bob, Mrs Goad & Family,*

*Like so many of your customers through the years I have many fond memories picking out videos with Deb's help, she was always friendly and funny and made you feel welcome. Bob, I admired the way the two of you were able to work together and seemed to truly enjoy each other's company, I'm sure she will be sorely missed. Sincere condolences.*

“ Aunt Debbie, Many of my memories of you were from when I was young. I remember you would let Karen and I sleep over and help with the kids and we would "babysit"! You took us grocery shopping and to Mcdonalds almost every time! When you moved to IN, we missed you terribly but always looked forward to your trips home and ours to IN. I had so much fun when you and Uncle Bobby let me drive your minivan when I just got my license (we didn't tell mom and dad until I got home!) and Troy or Alvin told me to go the wrong way on a one way street in Rushville! I loved hanging out at the video store with you and watching Jaws when Uncle Bobby fell asleep on the couch! You will always hold a special spot in my heart! Whenever I see someone wearing purple..I will always think of you! Love and miss you, Kristine

“ It saddens me deeply to hear about Deb's passing. A kind and gentle soul has left from this life. My heartfelt condolences to Bob and family. Words can not sometimes say what is felt in the heart. But I share this little poem with you....

*"Shed not for her the bitter tear  
nor give the heart to vain regret.  
Tis but the casket that lies here,  
the gem that filled it, sparkles yet."*

*May God's grace embrace her in His arms and touch your hearts  
with healing.*

*Dear Bobby, Mrs. Goad and family, I am so sorry to hear about Debbie. I have many great memories from when we were teens in Middlefield, CT. All the sleep overs, school dances and just hanging out with each other and our other friends. May God bless you all and help you through this very sad time. My deepest sympathies to you all.*
