“ *My heart is breaking. Diane and I rode to work with Jim Kleiman until she got married and moved to the Greenfield area. She was so vivacious and full of fun! I remember when she would say she was taking a day off as a "mental and nervous day because her job was so stressful. I loved her as a friend. Rest in Peace, Diane. Susan Meredith*

“ I am so sorry to hear of her passing! Way toooo young. I worked wth Diana many years ago at Blue Cross Blus Shield. She trained me when I moved to the National Division. She was the kindest, sweetest, most down to earth person. I dont remember her ever not wearing a smile. I also remember how much she loved her hubby Rick and her nephew Travis. Rest in peace sweet Diana. Prayers of healing and peace to her family.

“ Diana was the most beautiful heart and soul that I have ever encountered . I extend my deepest sympathy to the two loves of her life, always remember her calling him "Ricky Boy" with a broad smile and Ryan, who she thought was the greatest thing that ever happened to her. Heaven will shine brighter with Diana in it. God Bless.

“ *I was saddened to hear of Diana's passing. We never worked in the same department, but she was a ray of sunshine every time I saw in the halls or when we had an opportunity to work together. Always upbeat, high energy and very friendly. I grew to admire her a great deal and will always have fond memories of her. May the Lord surround your family with comfort and love during this difficult time.*

“ Rick and Ryan, I am so sorry to hear about Diana. She was a wonderful person and such a hard worker. She taught me so much when I became a coordinator for small group. If you had a question about something she would always have documentation to show how to do things. She loved her family and her all of her dogs. She will be truly missed. Prayers to you all.

“ I worked with Di for many years at Anthem. She was such a hard worker and if you ever needed documentation on something she had it! She wrote the nicest email to a former manager she had at Anthem to help my youngest daughter get a job and needless to say my daughter got the job! The love she had for her husband, son and dogs was a memory I will never forget. Rest in peace Di...you will be truly missed. Prayers for Rick and Ryan.

“ I have many beautiful, funny & scary memories of Diana. She & I were always the ones with " no fear" translate to "no sense" sometimes! From horse back riding, to wildly driving our cars, jumping from the highest cliff, riding the fastest scariest roller coasters. The birth of our children- only months apart. She always talked of how lucky she was to be married to Rick- the love of her life! And how she lived & breathed for Ryan. And the dogs- her next most loved beings! She loved her mom & dad (Nina & Red) & of course Vicki & Gary & when Travis was little -he is all we ever heard about! Then we (bff's) got to meet & be a part of her lovely biological family when that time came. The laughs & tears. Such a hard worker & smart. We both started working at an early age n the corn fields, then 1/2 days during high school (or so we said) . There was the senior Florida trip, the concerts etc. Later years were boating, camping , luncheons, funerals & weddings. I will so miss this special friend - forever in my heart. Till we meet again precious friend. Diana also believed in God & prayed often - another thing that was openly shared among the bff's :)
