“ *I didn't know my friend had passed away till a couple days ago today is 4 24 20. I use to be an asst to her in the early 2000's we had a blast together and being clowns and any thing we could think of to bring joy to our residents! She was a real special person and I often think of her, I am now an asst again at heritage house, but diane and I were unbeatable pair for our residents! There is not a day while doing activities I think about her! I have doing things since I heard of her passing how would Diane do it! Love Suzy Powell*

“ I always loved going to "Aunt Diane's." Some random memories include instant sweet tea, soap operas, clowns, little birds in the bird cage, giving me food to go feed Amy's rabbit, and swinging on the porch.
