“ *Chantel & John Paul,
I just learn of your loss and my heart breaks for you. It is good that we know that Dillon will always be looking down and watching you and his young family. I have watched you two as crazy young high school loves to proud Christian parents. Your life and love will continue to impact those around you as you model your strength through this life changing event and Dillon's impact on the future. Blessed~ (Mrs.) Robin Sowder*

“ I was Dillon's Youth Pastor. There are so many memories I could leave, funny stories, charming stories, frustrating stories. But the one I'll leave is the story of a little boy named David who came to our week of church camp.

David was kind of hard to manage, he whined, complained, he was usually at the center of conflicts between campers. He was a frustrating little dude to manage. But Dillon invested in David where others wanted to give up on him.

Long story short - Dillon ended up baptizing David that week. In the time that's since past, that little dude became a different person, and heaven will be a little bit more crowded thanks to Dillon Fowler.

Well done good and faithful servant!
