“ Donna Mae was such a sweet lady. She loved the little kids at the preschool where she worked! Her face would light up every time she would talk about them. When we went on vacation to Tennessee and Florida, she always made sure to have a bag of goodies and snacks to eat on the way. And if you were lucky, she might have brought some of her awesome peanut butter fudge!!! When we got to our destination, she was always ready to ‘shop till you drop’ with her sisters, Linda and Erma. And oh how they loved their Krispy Kreme donuts! John and I have a lot of great memories of Donna and we are going to miss her. Mark, Gary, and Benny we are so sorry for your loss.
